MPHA POLICY FORUMS NEED SOME “FRIENDS”!

The 2016-2017 MPHA Public Health Matters Policy Forum series is looking for some *Friends of the Forums*.

“Friends of the Forum” is a unique **\$40 sponsorship** opportunity open to individual MPHA members. Your sponsorship helps to ensure the continuation of this yearly series of cutting edge topic discussions.

Each forum agenda includes a listing of all our *Friends* along with the other organization and corporate sponsors. MOST IMPORTANTLY your **\$40 sponsorship** includes attendance at all four forums.

Sign up to be a Friend of the Forum on the MPHA website:
